The Visual Guide to Improv

By Anna Harvard and Katarina Wahlberg
 visualimprovguide.com

The Visual Guide To Improv is an illustrated guide to improv theatre, filled with images and easy-to-use tips on how to develop scene work, improvise a longer format, edit scenes and build a classic story with a dramaturgic curve. It also includes tips on how to use genre work – ranging from action and romantic comedies to Ingmar Bergman and Jane Austen.
